Minutes taken by Meg Suell, Secretary

Mike:

- ULP filed today
- Employer has confirmed that all units are covered by critical staffing incentive still.
- Intent of the critical staffing incentive was to cover ALL nurses, including APRNs

Renee:

- Covid ADO received today. Renee will follow-up with Michelle Sullivan regarding this matter.
- Employer also states they intend to reduce quarantine length to 5 days following covid infection.

Moe:

- FYI to all that press has been reaching out to some union leadership.
- We will be reaching out to discuss hospital conditions with Regents

Open discussion of our messaging going forward.

We are fighting for fair and equitable treatment for all nurses. We will not let ourselves be divided.

Communications:

- All agree on our desire and need to be quicker and more nimble in our communication.
- UMPNC social media? Expanded communications team?
- We have an opportunity to build a structure.
- Will discuss more during Saturday's EC Planning Meeting
- Will continue to add to/modify mna-umpnc website in ways that increase information access for reps and the membership at large
