RE: Regents of the University of Michigan and Michigan Nurses Association and  
Michigan Professional Nurse Council – 21-A-0057-RC  
***Motion for Reconsideration of Administrative Dismissal of Petition***

Dear Mr. Fetter:

At today's regular monthly meeting of the Michigan Employment Relations Commission, the above referenced request was discussed. In conclusion, the members determined the matter was not proper for Commission review.

Additionally, the Commissioners reiterated the necessity of the filing of a show of interest in order to adequately support the agency's processing of a representation petition in accordance with MERC's General Rules, specifically R 145 (2).

Accordingly, the Commission unanimously denied the reconsideration request and upheld the prior administrative dismissal of the representation petition.

Feel free to contact me should you have any concerns.

Sincerely,

Sidney McBride  
Bureau Director
